ISGKC Visitor Guidelines

Welcome to the Islamic Society of Greater Kansas City

We welcome all visitors to our masjid. As a place dedicated to the worship of Allah, Islamic education, and community gatherings, we ask everyone to observe the following guidelines to help maintain a peaceful, respectful, and welcoming environment.

1. Modest Dress

All visitors are expected to dress modestly in accordance with Islamic etiquette. Clothing should be loose-fitting, nontransparent, and provide appropriate coverage from shoulder to knee. Women are requested to wear clothing that covers the body and to cover their hair when entering the prayer hall.

2. Removing Shoes

Please remove your shoes before entering designated prayer areas and place them neatly in the provided shoe racks. Shoes may be worn in other areas unless otherwise indicated.

3. Respect for Prayer Areas

Please respect the designated prayer spaces for men and women and follow posted signs or staff guidance. Avoid walking in front of individuals performing Salah and refrain from interrupting congregational prayers.

4. Maintaining a Peaceful Environment

Keep conversations at a respectful volume, particularly during Salah, Quran recitation, religious lectures, and classes. Please silence mobile phones and other electronic devices.

5. Cleanliness and Personal Hygiene

Help maintain the cleanliness of the masjid, including prayer halls, restrooms, and wudu facilities. Dispose of trash appropriately and avoid bringing food or drinks into designated prayer areas unless permitted.

6. Photography and Recording

Photography, video recording, and livestreaming inside the masjid require prior permission from ISGKC management. Please respect the privacy of worshippers and obtain consent before photographing or recording individuals, especially children.

7. Children and Families

Children and families are welcome at ISGKC. Parents and guardians are asked to supervise their children and help them observe proper masjid etiquette, particularly during congregational prayers and religious programs.

8. Respectful Conduct

Treat fellow worshippers, visitors, volunteers, and staff with kindness and respect. Please follow the guidance of masjid leadership and staff, and refrain from disruptive or inappropriate behavior.

We appreciate your cooperation in preserving the sanctity of the masjid and making ISGKC a welcoming place for worship, learning, and community.
